WELCOME STATEMENT

The Department of Corrections welcomes you to **Coyote Ridge Corrections Center (CRCC)**. We wish to provide a family friendly environment. To do this, there are some security measures we must take to ensure your visit is safe and pleasant. The number of visitors allowed at one time may vary from one facility to another. Visitors must have submitted a visitor's application and be approved before visiting. Each offender may have up to **7** approved visitors per visit. Visitor Reminder: If you wish to be removed from an approved visitor list, please submit a written request for removal to the Superintendent/designee.

Minors under 18 years of age may visit with a parent/guardian or an approved escort only.

- Visit personnel will maintain a log of visitors entering the visit room and the time that they arrive.
- After you have been in the visit room for 3.5 hours, you may be instructed to leave the visit room to allow another visitor(s) to enter. Visit personnel will ask for volunteers before ending any visits.

- If an offender has already had a visitor(s), additional visits may not be allowed for that day. When the visit room drops below maximum capacity, these limitations will be suspended.

CLOTHING STANDARDS

Dress standards are necessary to ensure the safety and security of visitors and offenders and to promote a positive environment. You should wear clothing that is conservative in nature in order to maintain a respectful visiting environment and ensure processing time is kept to a minimum. The Visiting Sergeant/Shift Commander/designee will make the final determination regarding the appropriateness of any clothing, footwear, or accessories.

You must wear appropriate clothing. To ensure the safety of all individuals if an emergency arises, clothing that resembles state issued offender clothing (e.g., red shirts, khaki pants, gray sweatpants and sweatshirts) or Department uniforms is not allowed.

During the visit, the only physical contact allowed between offenders and adult visitors is holding hands with hands in plain view. While seated at a table, hands must be on or above the table top. As visiting areas are family friendly environments, caressing and/or sexually suggestive behavior of any kind is not allowed.

VISITOR'S GUIDELINES

- In addition to brief, appropriate contact at the beginning and conclusion of each visit, an offender may have physical contact with his/her minor visitor(s) 8 years of age and under in a manner that respects the child's feelings and physical boundaries.
 - The child may sit on the offender's lap.
 - The offender may show affection toward the child (i.e., hugs or kisses).

- Visitors that cause significant concern during their visit may be suspended from visiting privileges.
- Visits may become emotional at times. If visit personnel observe this, they may check in with you.
- Conversations should remain quiet, without harsh language or swearing, encouraging pleasant and caring family interaction. Please avoid loud, excessively emotional, or disruptive behavior.
- Visit areas are provided for all visitors. Please use furnishings for their intended use.
- Because time is limited, the focus and interaction must remain between the offender and his/her own visitors and family. Conversations with other offenders and/or their visitors are not allowed with the exception of very brief (i.e., one or two word) courteous statements (e.g., hello, please, thank you, etc.)
- During visitation, money or vending machine debit cards may be used for vending machine purchases by visitors. Visitors may use the microwaves to warm items purchased from the vending machines. MSC offenders will not be allowed to approach the vending machines, microwaves, or garbage receptacle areas. Once opened, purchased food items must be removed from their packaging and placed on a plate or napkin. Any unopened items may be taken home by the visitor. While an adult visitor escorts the child to the restroom, the offender may supervise remaining children, provided there is no restriction prohibiting the offender from being alone with the child(ren).
